Payment is to be made on the day of sale by cash or cheque. Invoices forwarded to successful postal, telephone and Email bidders are to be settled by return mail within 14 days from invoice unless by prior agreement.

The purchaser is to be the highest bidder. Any dispute arising as to the highest bidder is to be determined by the Auctioneer who may re-offer any disputed lot for sale. The Auctioneer reserves the right to refuse any bid or to bid on behalf of clients.

Whilst every care is taken, the Auctioneer does not accept responsibility for items described incorrectly either in the catalogue or at the auction. Intending purchasers are encouraged to take advantage of the time given to view goods prior to the auction commencing. The Auctioneer is merely the agent of the vendor in respect of the sale of goods. The Auctioneer shall not be liable for any default of the purchaser or vendor. The Auctioneer shall not be liable for any loss or damage to the goods left in his care by vendors or purchasers. The Auctioneer gives no warranties in respect of these matters and no lots are to be returned to the Auctioneer.

The Auctioneer will inspect any lots on behalf of bidders who wish to lodge their bids by post, telephone or Email to ensure that the lots are as described in the catalogue.

As is the practice in many states of Australia, a buyers premium of 11% (which now includes 10% G.S.T. on the premium only) will operate at this auction. This allows the Auctioneer to sell goods at a reduced commission for the vendor. This means that for each \$10 bid, an additional \$1.10 will be incurred. For those lots which attract a G.S.T., the G.S.T. will be included in the hammer price - i.e. it will NOT be a charge additional to the hammer price.

Postal, telephone and Email bids will be accepted until Wednesday 9th May 2012. All successful postal, telephone and Email bidders will be notified by mail. Such notification will include information in regard to postal and packing charges - normally \$5 per order packing charge (to cover costs such as bubble packing, wrapping paper, etc.) together with postage. The Auctioneer will NOT be responsible for the shipping of mirrors and over-sized items (i.e. items unacceptable to Australia Post). Purchasers are requested to make their own arrangements in regard to such items.

Absentee bidders who wish to make phone enquiries for auction outcomes are requested not to make such enquiries prior to Wednesday 16th May 2012.

**NOTE: The Auctioneer will NOT be responsible for the shipping of mirrors and over-sized items (ie. item unacceptable to Australia Post). No Credit Card or EFTPOS payments and no online internet bidding**
